T-Bolt Clamps provide uniform sealing pressure for a positive, reliable seal. Designed for use in high vibration and large diameter applications common in heavy trucks, industrial machinery, off-road equipment, agricultural irrigation, and machinery. Features a 3/4" wide stainless steel band and welded construction for reliability.

Standard T-Bolt Ideal Tridon 30050

1/4" T-Bolt

Plated Carbon Steel

7/16" Hex Nut

Plated Carbon Steel Nylon Insert

3/4" Band
